Pack 8 unds 12 l und.

Pack 8 unds 1,5 l und.

Pack 12 unds 0,5 l und.

Manufactured with high quality geotextile and raffia fabrics with high weather resistance and U.V. treated.

Ideal for creating a vegetable patch in any terrace, patio or even a balcony thanks to their reduced dimensions. They allow you to maximise your space by grouping them or placing them in a straight line depending on the space available.
